

XX Anniversary of TDLS Conference 1995 – 2015

10th International Conference on
Tunable Diode Laser Spectroscopy
TDLS-2015
July 6 - 10, 2015
Moscow, Russia

First Announcement

10th International Conference on Tunable Diode Laser Spectroscopy (TDLS-2015) will be held on July 6 – 10, 2015, in Moscow, Russia.

Organizers

Connecticut College, New London, Connecticut, USA
Moscow Institute of Physics and Technology, Moscow, Russia
General Physics Institute, Russian Academy of Sciences, Moscow, Russia

Conference Chairs

Professor Arlan W. Mantz
Connecticut College, 270 Mohegan Avenue
New London, Connecticut 06320-4196 USA
Phone: +1 (941) 347-4145, e-mail: awman@conncoll.edu

Professor Alexander I. Nadezhdinskii
A.M. Prokhorov General Physics Institute, Russian Academy of Sciences
38 Vavilov Street, Moscow, 119991, Russia
Phone: +7 (499) 135-8281, e-mail: nad@nsc.gpi.ru

Advisory Committee

Frank Tittel, Rice University, Houston, USA
Alexander Rodin, Moscow Institute of Physics & Technology, Moscow, Russia
Christof Janssen, UPMC Sorbonne University, Paris, France

Scientific Program

The scientific program covers a broad field of modern topics of theoretical and experimental tunable diode laser spectroscopy.

1. Semiconductor Lasers.
2. New Techniques and Technology.
3. Fundamental Spectroscopy.
4. Diagnostic and Process Monitoring.
5. Environmental Monitoring.

The Conference schedule will include invited lectures (45 min), oral presentations (20 min), and poster sessions.

Abstracts

Abstracts are accepted in electronic form and should be sent as e-mail attachments to: tdls@nsc.gpi.ru. A template for abstracts will be posted at the Conference Web site.

Abstracts deadline is April 1, 2015.

Language

The Conference language is English.

Abstracts must be submitted in English.

Registration Fees

Participation in TDLS-2015 Conference is free of charge.

No registration fee is required.

Registration

A form for online registration will be available at the Conference Web site.
